## Day Camp (aka Cub Camp)

Typically a 5-day (but could also be a 1-day or 4-day) drive-in and drive-out Monday through Friday (or Saturday) outdoor experience. Each camp is unique but most offer OUTDOOR ADVENTURES not found in other day camp programs. We call our summer day camp program Cub Camp.

## 5 Great Reasons to Choose Cub Camp

1. Learn and experience things not taught in other programs grounded in the values of scouting
2. Develop an important scouting tradition of attending summer camp
3. Keeps Cub Scouts engaged in scouting and helps them earn requirements towards rank advancement
4. Builds experience and confidence
5. Fun for all participants: volunteers, parents and staff

## At Cub Camp

- Youth are divided into dens of 6 to 12 participants. Some dens are comprised of members of the same pack; other camps organize by rank.
- All camps have different program stations. Participants rotate through based on a schedule the camp director provides.
- Lunch and snacks are packed in from home.
- All day camp staff are volunteers including the camp director, program director and health officer.

## At Cub Camp

Some of our day camps offer a sibling care program. This is an area at camp that provides free child care for parents while they are working/volunteering at camp. Other camps may offer extended care as well.
