

My Tiger Jungle

Adventure Requirements

Complete requirements 1 plus at least two others.

1. With your parent/guardian or other caring adult (referred to in the handbook as "your adult partner"), go for a walk outside, and pick out two or more sights or sounds of "nature" around you. Discuss with your partner or den.
2. Take a 1-foot hike. Make a list of the living things you find on your 1-foot hike. Discuss these plants or animals with your parent/guardian, other caring adult, or your den.
3. Point out two different kinds of birds that live in your area. With your parent/guardian, other caring adult, or den, find out more about one of these birds.
4. Be helpful to nature by planting a plant, shrub, or tree. Learn more about the needs and growth of the item you've planted.
5. Build and hang a birdhouse.

Parent Corner

This Tiger Adventure is about noticing the natural world around us. It is also about caring for the natural world and investing time and effort into participating in your environment.

My Tiger Jungle

Requirement 1- Sounds of Nature

Materials Needed

Instructions

Just as birds use sound to talk to each other, so do our other animal neighbors. How do squirrels talk? What about insects? What other sounds from nature can you hear in your jungle? If you live in the city, what are some other sounds of your city jungle?

With you parent, guardian, or other caring adult, go for a walk outside, and pick out two or mor sights or sounds of “nature” around you.

Try going at different times of the day to hear different sounds.

What sounds did you hear

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Pee Wee Says

“You can learn a lot just by listening. When you pay attention, you learn what sounds are normal and which ones are new.”

My Tiger Jungle

Requirement 2- Nature Hike

Instructions

We are going to make a bug catcher! Find the plastic container in your box. With the help of your parent use scissors or a screwdriver to punch holes in the lid.

Materials Needed

- Plastic container
- Googlie eyes
- Pipe cleaners
- 4 feet of string
- Magnifying glass
- 1" Hiking observation sheet
- Markers
- Scissors
- Pencil

Use markers, pipe cleaners and googlie eyes to make your plastic container into an insect.

Now we are going on a 1 foot hike! Find the 4 foot piece of string in your box. Go outside and place the string on the ground. Make a square that is 1 foot by 1 foot. Use your magnifying glass to explore.

Record what you saw on the next page.

A Scout is clean. Be sure to clean up your square. If you find any garbage in your square, use gloves to pick it up. Think about how to properly dispose of the trash. Does it go in the garbage or can it be recycled?

Look in your Tiger Cub Scout Handbook for images on things to look for in your square.

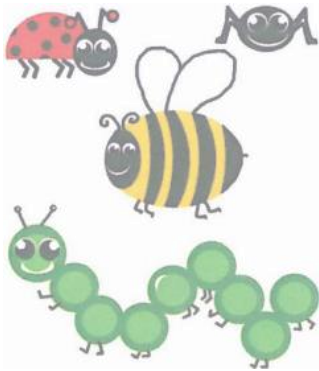

Pee Wee Says

"Studying nature can be really fun. Some people make a career out of studying nature."

Requirement 3- Birds

Materials Needed

- California Bird Guide
- Markers
- Crayons
- Colored Pencils

Instructions:

Find the California Bird guide in your Adventure Box.

With your parent or guardian find two birds find two birds that live in your area.

Read in Learn About Birds about one of the birds. Then draw a picture of the birds you saw.

Reflection

A Scout is Kind. You can be kind to the birds by not touching their nests, their eggs, or their babies. By leaving them alone, you can help them have a safe home.

Pee Wee Says

“Birds help make our world special. We are lucky to have so many bird species here. They are fun!”

Requirement 5- Bird House

Materials Needed

- Birdhouse Kit
- Hammer
- Glue
- Sandpaper

Instructions

Find the birdhouse kit in your Adventure Box.

Follow the instructions to make your birdhouse.

Hang your birdhouse

Did You Know:

Did you know that a birdhouse does not need a perch? Birds can fly right in without a place to land, and a perch can make it easier for animals, like squirrels, to get it.

Pee Wee Says

“Making birdhouses invites different kinds of birds to live in your neighborhood.”
