2020 ANNUAL REPORT

SCOUTING ON

1920-2021

SILICON VALLEY MONTEREY BAY COUNCIL

A MESSAGE FROM THE KEY 3

2020 started as a milestone year with our council gearing up to celebrate its 100th anniversary of local chartering on August 20, 1920.

Though we couldn't celebrate with fanfare and gatherings of thousands, we experienced the true spirit of Scouting in some ways we never anticipated. The events of 2020 tested our society more than any of us have ever experienced. **It was in these challenging times, that the Scout motto "Be Prepared" has never been more relevant.**

Our Scouts, leaders, board of directors, donors and staff were prepared. They exhibited the bravery, cheerfulness, and real grit that comes from living the Scout Oath and Law. When sheltering-in-place became a lifestyle for families, our council pivoted quickly to innovate and adapt programs to a virtual, at-home delivery model. Even with this modified program, Scouts thrived, learned life skills, stayed connected and demonstrated leadership and civic engagement, easing the burdens of others.

Fourteen young women made history as they advanced through the ranks and will be recognized as the inaugural class of female Eagle Scouts on February 8, 2021.

As we set our hopes on the coming year and step into our next century of local Scouting, we are inspired for our future by the actions, character and leadership demonstrated by all our Scouts. Giving every youth the opportunity to experience Scouting is our #1 priority.

With a supportive community, 10,000 engaged families, 4,000 enthusiastic volunteers, generous donors and dedicated board of directors and staff, the future of Scouting is bright in Silicon Valley Monterey Bay Council.
