

Scouting for Food Doorhangers Distribution Week October 30 ~ November 6

Collection Day November 13, 2021

Scouting for Food is an annual food-collection drive, and one of the many service projects the BSA has conducted since 1910.

870,000 Bay Area residents and a *quarter million* residents in our council geography lack adequate access to food. Scouts can help make an impact by participating in the annual Scouting for food drive

This annual effort for Scouting in the Greater Bay Area is coordinated in November. Door hangers are provided in October for Scouts to distribute to neighbors and businesses during the week of October 30 to November 6, requesting donations to be picked up on November 13th after 9:00 am.

The plan is simple:

1. Pick up door hangers at the Council Service Centers in October.
2. You can participate as an individual, family, or unit.
3. Select the area where your unit will distribute door hangers in your neighborhood the week of October 30th to November 7th. Links to an online map and instructions are on our Council Website for Service: <https://www.svmbc.org/activities/service-projects/>
3. Pick up the food left outside of the homes on November 13th after 9:00 am, and deliver it to a local food bank or pantry (*see reverse for more info*).
4. Log your efforts on the Council Formsites for Service: <https://fs10.formsite.com/svmbc/ServiceHoursReport/index.html> and on the National Summer of Service Webpage: <https://www.scouting.org/summerofservice/> . Please report your service before December 1st.

***Participation in this good turn qualifies as a *Messenger of Peace* project.**
