## SCOUTING TOGETHER

BOY SCOUTS  
OF AMERICA®

SILICON VALLEY MONTEREY BAY COUNCIL

*We believe now is the time to invest with a 'Scout Together' mindset because together we can have an exponential impact on our community through the leaders of tomorrow.*

### LEADERSHIP MESSAGE

**Together**, in 2021, you and thousands of caring adults in our community made Scouting possible for nearly 9,000 youth in our council. **Together** - through Scouting, every youth participant received the gift of adventure in the outdoors, a network of caring adult mentors, and a social group where all are welcome.

As our community and youth emerge from the effects of the pandemic, Scouting came **together** to get kids outdoors. We were able to safely operate outdoor adventures for 4,481 youth participants at our properties and community day camps.

**Together**, we strengthened the future of Scouting through careful stewardship of our fiscal, property and human resources. Our strong foundation allows us to grow Scouting and create opportunities for more kids to connect and grow with strong values, to serve their community, and to shape the future.

We invite you to **Scout Together** with us in 2022 and for years to come. Our efforts today to instill positive character in youth through Scouting, is an investment in our community for many generations to follow.

*Mark Lazzarini, Council President*  
*Carmen Fuller, Council Commissioner*  
*Jason Stein, Scout Executive*
