A Message from Tina Urata
2022 Scout-O-Rama Chair

Welcome to Scout-O-Rama 2022! We're all coming out of hibernation, well-rested, and Scouting Together Again! This is our Scouting extravaganza where each Cub Pack, Scout Troop, Venturing Crew, and Explorer Post shares with us their own unique Scouting culture by showcasing some of their favorite activities and talents.

You'll want to check out the Archery and Metalwork as well as the Crafts & Games. Get your "climb on" and scramble across a Monkey Bridge! All this will get your tummy growling so don't forget to make your way to the delicious grinds of our many Food Trucks!

Scouting has been in the Bay Area for over 100 years and it continues to offer an excellent way for kids to have fun in the outdoors while learning important life skills and leadership. We've been doing Scout-O-Rama for over 70 years and we get to see, up close and personal, and experience for ourselves a wide variety of those activities!

San Jose History Park Eagle Project Hunt

As you may know, San Jose History Park is an outdoor museum of historic buildings and landmarks that celebrates the San Jose of days gone by. Many of these exhibits and their restorations have been made possible by the generous donations of corporate and private sponsors.

But did you know that many of our local Eagle Scouts have also made a large contribution to the park? Some of the many Eagle Projects performed here at San Jose History Park are marked with a plaque displaying the Eagle Scout's name and Troop number. If you are game, visit the **Information Booth** and pick up a special **SJ History Park Eagle Scout Hunt** map and find the marked Eagle Project locations. Completing the hunt earns you a special **prize**!

Silly Backwards Song

Well I walked up the door and I opened the stairs,
Said my pajamas and I put on my prayers,
Turned off the bed and jumped into the light,
All because you kissed me good night!

Well, I woke up next morning and I scrambled my shoes,
Shined up an egg and toasted the news,
Buttered my tie and took another bite,
All because you kissed me, never could resist me,
All because you kissed me good night!

Scouting Haiku #1521

Backwards hide-and-seek
Four Scouts slowly disappear
Hidden near hotdogs

Riddle: A cowboy rides into a little town on Friday. Stays for 3 days and leaves on Friday. How is this possible?

Know the answer? Come to the **Cub Camp** booth to claim your **prize**!

Camp Chesebrough is a 544-acre site located in the Santa Cruz Mountains just west of Highway 9, 1.8 miles south of Skyline Boulevard, between Castle Rock State Park and Long Ridge Open Space Preserve. The property is principally mixed conifer forest, with oak, some chaparral and riparian habitats.

Facilities include the Valley Lodge training center, the Swenson Administrative Building, three restroom buildings, Freeberg Foundation Shooting Sports Pavilions of Archery and BB Gun, a Climbing Wall, an outdoor campfire program amphitheater, a Scout's Own outdoor program area, a sand volleyball court and human foosball court.

Trails include stairways from the main parking lot up to the lodge and administrative buildings and to the upper camp sites, the trail from the main parking lot down to the campfire program area, the Nature Trail which follows the road from the main parking lot down to lower campsites. The Skyline-to-the-Sea Trail was originally constructed by a collaboration of members of the local Sierra Club, the Sempervirens Club, the Boy Scouts of America, and others.
